MORE TORQUE MORE PERFORMANCE MORE EXCITING

An all new Bonneville engine family built specifically for the modern classic riding style. All with much more torque low down and across the whole rev range for immediate and exciting power delivery, and a richer sound you can really feel as well as hear.

*Three new engines – the 900cc high-torque engine of the new Street Twin – delivering **18% more peak torque** than the previous generation, the 1200cc high-torque engine of the Bonneville T120 and T120 Black, and the 1200cc high-power 'Thruxton spec' engine from the Thruxton and Thruxton R. All with truly modern capability, sensitively incorporated, including ride-by-wire for enhanced responsiveness and liquid cooling for amazing fuel economy; a **36% improvement on the Street Twin alone.***

THE NEW ICON *StreetTwin*

The new Street Twin is our most contemporary, fun and accessible new Bonneville, powered by an all new thrilling high-torque 900cc engine.

With its unique character, distinctive sound, stripped-back styling and dynamic riding experience, the Street Twin is the perfect Bonneville for today's rider.

BUILT FOR FUN BUILT TO RIDE

StreetTwin

The new Street Twin combines a sharp, refined and stripped-back look, with a low seat height, accessible riding position and an exciting and responsive new engine for maximum fun and everyday ridability.

A contemporary take on the original Bonneville silhouette with clean lines and minimal bodywork, its stylish details and finishes include cast wheels, a dedicated smaller fuel tank, LED rear light, contemporary graphics, refined black side panels, tail unit and mudguards. All enhanced through an exciting range of tank colours – Cranberry Red, Aluminium Silver, Matt Black, Jet Black and Phantom Black.

Its character comes to life through the all new 900cc 'high-torque' 8v, single overhead cam parallel-twin engine. As the name suggests, it delivers a massive peak torque figure

of 80Nm at a low 3230rpm – an amazing 18% more than the previous generation. Together with an exhaust tuned to deliver the unmistakable sound of a British twin; a rich and raw note that matches its character at a level you can really hear.

Its chassis and suspension deliver dynamic and intuitive handling, an engaged riding experience and a truly modern standard of capability with sensitively incorporated rider-focused technology such as ABS, ride-by-wire, traction control and slip assist clutch. The Street Twin is built to ride like a Triumph should.

A TIMELESS ICON BEAUTIFULLY EVOLVED

BONNEVILLE
T120

The timeless style and the iconic character of the original is reborn in the new Bonneville T120.

Crafted to the highest standard of detailing, quality and finish, and matched by the capability and performance of a truly modern classic, the new T120 is powered by the all new Bonneville 1200cc high-torque engine providing refined handling and comfort from a purposeful chassis and tuned suspension. Original iconic detailing and a choice of classic colours, the stunning new Bonneville T120 is a stylish and distinctive statement of Triumph's past and present. A genuine icon, beautifully evolved.

THE NEW STYLE ICON

BONNEVILLE
T120 Black

A new style icon, the Bonneville T120 Black has real pedigree, presence and performance.

With the iconic character, quality, performance and capability of the T120, the new mean and moody Bonneville T120 Black is transformed, from its distinctive dark brown seat and fully blacked-out details including rims and exhaust, through to the sophisticated tank and mudguard paint finish in Matt Graphite or Jet Black. The result is stunning.

THE CAFÉ RACER REBORN THRUXTON

The breathtaking new Thruxton returns the legendary café racer to its performance roots.

With all the power provided by its 1200cc high power 'Thruxton spec' engine, it delivers all the sharp handling, agility and capability to match its beautifully aggressive and authentic Thruxton styling.

THE ULTIMATE CAFÉ RACER THRUXTON^R

The ultimate factory café racer, the new Thruxton R is arguably the most thrilling and full-blooded sports classic you can buy.

Building on the capability of the Thruxton, the 'R' is equipped to the highest specification with Brembo monobloc calipers, Showa big piston forks, Öhlins rear suspension and Pirelli Diablo Rosso Corsa tyres. Designed to deliver the poise, power, performance and capability to live up to the legendary name.

INSPIRED BY THE RICH HISTORY OF BONNEVILLE
THE BONNEVILLE COLLECTION

To celebrate the new Bonneville family, we've created an exciting collection of high-quality casual clothing and accessories for men and women. Inspired by the unparalleled history of the Triumph Bonneville and manufactured to the same exacting standards.
